

Identifying and Intercepting School Violence through Cyber-Investigation

Law Enforcement and School Officials must know how to proactively respond to threats of school violence on-line. Especially when there is on-line "Leakage" threatening students and school personnel. Being trained to identify the perpetrator immediately provides Law Enforcement and School Officials the ability to act quickly and effectively to reduce the threat of school shootings and other forms of violence. The goal of this training is to give the student the mental health help they need BEFORE the shooting starts.
