Red Dot Pistol Course for Instructors			200567	74632
Date(s) of Training	Time	Hours	Location	
July 8-9, 2026	8:30 - 4:30 pm	16	Carbondale PD Firing Range 105 S. Bigler Rd Carbondale, IL 62901	
Course Description				
<p>This course is intended for current Police Firearms Instructors to learn how to teach their officers the principles and proper operation of the Miniature Red Dot Systems (MRDS) for their duty pistols. Instructors will learn how to teach their officers to become familiar with the MRDS and how to zero it. Instructors will also be able to teach their officers how to find the dot upon presentation, how to track the dot under recoil, and how to address dot specific malfunctions. The practical range training will be set up in a "coach/ student" platform so each instructor will have multiple opportunities to teach their fellow instructors the course objectives. Instructors will learn the pros and cons of having the MRDS on duty weapons and the benefits of having department policies for the MRDS. This class is very hands-on, and instructors will be expected to pass the written test and the practical test with a 90% minimum score.</p> <p><b>Students attending this class must be current Police Firearms Instructors. It is preferred that the student has already attended the Introduction to Red Dot class, but is not a requirement.</b></p>
