Course Description				
This course is designed to provide the foundation and then build more advanced skills & techniques. The goal is to ensure the highest level of performance in your weapons handling and shooting capabilities. Students will be provided with fundamentals, given the rationale behind each technique and use this knowledge to uncover possible flaws in their current techniques. Students will obtain an increased ability to effectively train in the effective and appropriate use of their weapon systems, thereby providing them with the ability to respond to the potential deadly force situations they may encounter on duty.				
\$350 per person due on the day of training. Checks made payable to Tier 1 Combat Shooting.				
Course Objectives				
• Understand 4 Cardinal Rules of firearms safety • Understand the importance of proper equipment set-up and manipulation • Understand and demonstrate building the proper grip and stance • Understand and demonstrate proper trigger manipulation • Understand and demonstrate dominant hand only and non-dominant hand only handgun shooting techniques • Proper techniques for transitioning from rifle to handgun • Proper techniques for transitioning from dominant shoulder to non-dominate shoulder with a rifle • Demonstrate target transitions • Demonstrate proper use of cover and concealment for increased officer safety				
Instructor				
Scott Hatfield is the owner of Tier 1 Combat Shooting, LLC established in 2016. Scott spent 18 years as a Navy SEAL in team 3 and team 6. In 2008, Scott left the Navy and started his company because he saw a need for better training at an affordable price. Along with this course, he also teaches the shooting package for west coast SEAL teams and contracts with Shield Protection Services and Tomahawk.				
Equipment Requirements				
Officers will need to bring their rifle and semi-automatic pistol (preferably with red dots), 2-3 magazines per weapon, gun belt with holster, a way to carry mags, ear and eye protection, 500-600 rounds pistol, 400-500 rounds 556. Any other gear is optional (plate carrier, gloves, range chair, etc.)
